General Information for Indoor Shooting:

- 1. Everyone should help to set up and pack away**
2. If foot marking tape is used at Huntingdon please only use that supplied by One Leisure that can be obtained from their reception desk. Remember to remove it after use!!
3. The usual round shot indoors is the Portsmouth round (60 arrows at 60cm face at 20yds)
 - You do not need to submit score sheets for rounds if you just want to practice.
 - You do not even have to shoot each end if you do not wish to.
 - But please shoot to the sequence of the designated round to minimise delays.
4. Other rounds (WA18, Vegas, Bray 1, and Worcester) may be shot on individual boss (es) by agreement with other archers wishing to shoot that round and subject to overall capacity.
 - When the WA18 and Vegas rounds are shot the bosses should be moved forward (There are 18m wooden locators provided) to keep the single shooting line consistent.
